RE: MPD Hiring Process—NextSteps

Please find attached the City of Martinsburg Police Civil Service List of Eligible Candidates for Probationary Police Officer with the results of the competitive written and physical examination. Congratulations on successfully passing this portion of the process. This list is valid for three years, or until it has been exhausted.

You can look forward to being contacted by an investigating officer to begin your background investigations. Please be prepared to travel to the station for an oral interview, which will require formal dress and originals and copies of requested documents. These investigations are thorough and are done on an **as-needed basis, so you may not receive notification right away**. It is your responsibility to notify us should you have a change of address, phone number or employment status.

Following a successful background investigation, you will be invited to City Hall for an oral examination with the Police Civil Service Commission and the Chief of Police or designee. Please plan to arrive ten to fifteen minutes early and dress appropriately for a professional interview. Following a successful oral interview, you may be extended a conditional offer of employment if selected and as vacancies arise. You then will be required to submit to and pass two medical examinations and one psychological examination. Final offers of employment are extended only after all of the aforementioned screenings have been passed successfully and the Chief of Police finds you a suitable candidate for the position. Please **DO NOT** terminate existing employment until you are offered and have accepted a **final** offer of employment.

Please direct any questions to me at 304-264-2131 ext 273 or via email (preferred method) at glong@cityofmartinsburg.org.
