Enclosed is a doctor's certification of fitness to perform agility test form that **MUST** be completed by your physician. **If the form is not completed you will not be permitted to take the agility test.** Any cost incurred securing the doctor's signature on the certification of fitness will be the responsibility of the applicant. **This form must be signed by the doctor within 60 days of the test date.**

You must be between the ages of 18 and 40 and a United States Citizen at the time you applied for the position. Also enclosed is the advertisement for applications, if you cannot meet the qualifications listed on the advertisement, please notify the City Recorder to withdraw your application.

If you have current West Virginia Law Enforcement Certification you will not be required to take the physical agility test. You **must** show proof of certification on the date of testing. If you cannot provide this certification, you will be required to take the physical agility test to proceed.

The law allows points to be added for applicants with prior military service who have been awarded veteran status. If you wish this consideration please bring, or provide before you test, your DD-214 or other equivalent documentation. If you neglect to provide this documentation prior to or at the time of testing, you will not receive the additional points. **Do not bring only the original**, as we have no means of copying this document at the testing site.

THERE WILL BE NO MAKE-UP EXAMINATION OR RAIN DATE.

Some Points to Consider:

- Be punctual. The test begins promptly at 8:00 AM. Absolutely no late arrivals will be allowed to test, regardless of reason. Note the location and ensure you know how to get there prior to test time.
- Wear comfortable and seasonably appropriate clothing. If you pass the written exam, you will be running 1.5 miles, dress accordingly.
- Push-ups will not be modified for female applicants, be prepared to perform eighteen (18) full-body push-ups in one minute or less.
- You **MUST** provide your completed Physician's Certificate. Bring it with you to the exam, you are not required to provide it in advance.
- If you are a WV Certified Officer, or a Veteran of the United States Armed Forces, bring the appropriate documentation with you. Do not bring the original, we cannot copy on-site and cannot be responsible for lost originals. If this information was attached to your application, that is sufficient.
- **There is absolutely no alternate date. There is no way to be included on the list of eligible candidates if you do not test on the scheduled date, regardless of exams you may have taken with other agencies.** We will not reschedule for rain, snow, injuries or any other plans you may have. If you are unable to make this date and you fail to notify me, IN WRITING OR EMAIL, you will not be able to test for the Martinsburg Police Department for one year.
